Book Synopsis

Every now and then a book comes along that is so powerful that words cannot describe the experience people start having when they read it. These rare, life-changing books always seem to show up at the perfect moment in time, exactly when we all need it the most. Oneness is such a book--one that will change your life. In February 1998, Rasha began a profound dialogue with the universal Presence, "Oneness"--the Divinity we all share. Word for word, she transcribed the principles for a new understanding of the mystery we call "life." These teachings empower us to take a quantum leap into our own inner depths and totally transform our lives--and our world. Oneness gives humanity an astounding new vision of who we really are--and where we re headed. Here, we discover clues that inspire us to create the kinds of lives we long for and help us release the energies that prevent us from realizing our dreams. We learn to recognize the emotional patterns that undermine our best intensions. And we start to harmonize with the powerful energies building all around us--and with the power of Creation that s driving it. Oneness speaks in a voice that reaches out to the heart of each of us. The words are personal--and the experience of embracing the understandings they hold is transformational. We come away from the simple act of reading feeling like we ve been touched by something indescribable--and holy. Filled with astounding metaphysical concepts and catalysts for change, Oneness takes us to the outer reaches of our own humanness and to the depths of the Divinity within. Reading it becomes a sacred, experiential journey that leaves the reader empowered with timeless tools for real transformation and a clear roadmap of the inner path to enlightenment.
